Your REG-1, Illinois Business Registration Application, for MADE BY CHICAGO LLC has been processed by the Illinois Department of Revenue. The following tax types have been added to your account:

Account Type	Account ID/License no.
Sales/Use Tax & E911 Surcharge	4438-3061
IL Business Income Tax	11153-73696

If you have registered for sales and use and related taxes or automobile renting tax, you will receive an Illinois Business Authorization certificate delivered by the U.S. Postal Service in 7 to 10 business days. You may also view and print a copy of the Illinois Business Authorization certificate in your MyTax Illinois account.

Now that your business registration application is processed, you can activate your MyTax Illinois account.

Note: You must allow one full **business** day after receiving this email before clicking on the link below and providing the necessary activation information.
